

Checklist: Hosting WBV Tournaments

English translation of "Checkliste: Ausrichtung WBV-Turniere" (Vienna Badminton Association). WBV = Wiener Badminton Verband, the Vienna Badminton Association; ÖBV = the Austrian Badminton Association.

About 3 weeks before the tournament

- ☐ The WBV contact person sends you the **.tp file** (the tournament software file), the **licence file** and the **rules for running the event** (Durchführungsbestimmungen).
- ☐ Publish the **organiser's contact details** on the tournament page.
- ☐ **Youth tournaments only** — see the two points below.
 - Send the e-mail address you use for Google Drive to turniere@wienbadminton.at. You will then be given access to the online entries that do *not* come through the OBV software. Those entries arrive as an Excel file and are easy to import into the OBV tournament software (*Entries* → *Import...*). This extra step is what lets beginners and school players enter the tournament. **Important:** entries sent by e-mail are never allowed, because the player has not accepted a data-protection statement that way.
 - In the youth-tournament folder you also get a sub-folder for **photos**. Upload winners' photos and other memorable shots there. The photo folder is open to everyone, and you can share the link with participants by e-mail or in the tournament info box:
<https://drive.google.com/drive/folders/1GZv1seOtLVbTaOeI9Q5YbexiFL6iMy8A?usp=sharing>
- ☐ Post any information the players need in the **info box**.
- ☐ **Advertise the tournament actively:** send out the announcement (Ausschreibung) and link it on the tournament page.
- ☐ **Publish the entry list regularly** as entries come in.
- ☐ If you want to use the **buffet** (refreshment stand), tell turniere@wienbadminton.at and/or the hall caretaker (Hallenwart).

About 2 weeks before the tournament

- ☐ If you want to hang up **banners or posters**, they need a fire-safety certificate — check its expiry date. Send an e-mail to office@wienbadminton.at and ask for permission.
- ☐ If **sponsor banners** are to be shown, ask where they are currently stored and bring them to the hall — together with a printed copy of the fire certificate.
- ☐ **Giving the hall back because the tournament is cancelled:** a last-minute cancellation is only free of charge if there are too few participants. In every other case you pay the full cost.
- ☐ The **last chance to report a hall return** is the Monday before that weekend — or as soon as you possibly can. Inform office@wienbadminton.at and/or turniere@wienbadminton.at.

At the entry deadline (adult tournaments)

- ☐ Publish the **final entry list**.
- ☐ If needed, **cancel individual events**, or merge them with other events — but only with the agreement of the players affected.
- ☐ Think about the **seeding**. Use the ÖBV ranking list available online (for adult tournaments) or the youth ranking Excel file.
- ☐ Think about the **draw format**: every player should be guaranteed at least 3 matches (or 5 if they entered one or two events).

Before tournament day

- ☐ Print the **score sheets** and bring plenty of pens.
- ☐ Bring **extra tubes of shuttles** to sell — but clubs are not allowed to make a profit on them.
- ☐ Think about **small prizes**, e.g. sweets, for youth tournaments.

Tournament day

- ☐ Tell the hall caretaker who is **in charge of the tournament and of the buffet**.
- ☐ Sign the **“handover of the hall”** form with the caretaker (he/she has the form).
- ☐ Set up the **microphone** with the caretaker, if you need one.
- ☐ Hang up the **sponsor banners** in the hall, if there are any.
- ☐ **Run the tournament** and publish results regularly.
- ☐ Take **winners’ photos** against a clean background, in **landscape format**.
- ☐ Sign the **“return of the hall”** form with the caretaker at the end.

Monday after the tournament

- ☐ **Delete the contact details and the info text** from the tournament page.
- ☐ Send the **.tp file, a report and the winners’ photos** (action shots too, if you have them) for the WBV website to turniere@wienbadminton.at.
- ☐ Send a **short report plus photos to Alla**, or to turniere@wienbadminton.at.
- ☐ If the tournament is run **on behalf of the WBV**, the organiser gets €60 expenses per day and each helper €30 per day; the rest of the income is transferred to the WBV.
- ☐ The **WBV levy** (Abgabe) is set by the WBV finance department — see the box below.

How the WBV levy works

The first **€90** of the income always stays with the organising club.

Everything above that goes to the WBV as a levy, up to a maximum of **€90**.

Any income beyond **€120** stays with the organising club as profit.

Examples: €100 income → €10 levy to the WBV. €150 income → €90 levy to the WBV.
